20. Course Description:

As stated in the approved study plan.

This course introduces the beginning student's to the history of nursing, its nature and roles. The course has been prepared to provide the student with basic information and appropriate positive attitudes that will be acquired while studying and working in nursing profession. This information includes health and freedom from illness, nursing process, and health care delivery. In addition, it prepares the nursing students to use critical thinking and decision-making process, which guide to safe and competent nursing practice

21. Program Intended Learning Outcomes: (To be used in designing the matrix linking the intended learning outcomes of the course with the intended learning outcomes of the program)

- 1. Demonstrate competency in performing and providing a professional nurse's role in quality care provision for individuals, families, and groups.
- 2. Apply principles of effective communication with peers, individuals, families, groups, and healthcare teams.
- 3. Utilize critical thinking and problem solving in planning and implementing nursing care for individuals, families, and groups.
- 4. Apply professional standards, values, and behaviors in providing nursing care for individuals, families, and groups
- 5. Demonstrate safety measures to protect self, individuals, families, and groups
- 6. Translate organizational, leadership, interprofessional collaboration, and management concepts into nursing care for individuals, families, and groups
- 7. Utilize evidence-based practice in providing care for individuals, families, and groups

PLO's *National Qualifications Framework Descriptors*

	Competency (C)	Skills (B)	Knowledge (A)
1.	\boxtimes		
2.		\square	
3.		\square	
4.			\square
5.	\boxtimes		
6.		\square	
7.	\boxtimes		

* Choose only one descriptor for each learning outcome of the program, whether knowledge, skill, or competency.

- **22. Course Intended Learning Outcomes:** (Upon completion of the course, the student will be able to achieve the following intended learning outcomes)
- **1.** Review the historical development of the nursing profession in terms of theory, practice, education, and research
- 2. Describe the definition of Nursing, nurse's roles in the delivery of health care with emphasis on the Jordanian health care delivery system to clients, families, and community.
- 3. Define concepts related to health illness and wellness
- **4.** Explain the models of health and nurses' roles in the maintenance, promotion and restoration of health and prevention of illness
- 5. Identify the steps of the nursing research and evidence based practice
- 6. Discuss the professionalization of caring and types of knowledge in nursing
- 7. Describe the significance of developing critical thinking and problem solving abilities in order to practice safe, effective, and professional nursing care.
- 8. Describe the phases, components, and application of each phase of the nursing process

Final exam	50 %	Caring Nursing Process		16 th 15/1- 27/1/2025	On campus

26. Course Requirements:

students should have a computer, internet connection, down loaded Microsoft teams, access to Moodle-e-learning course page, required textbook

27. Course Policies:

A- Attendance policies:

• Students must attend all classes of this course (online sessions-synchronized or A synchronized and on campus sessions).

• Any student with absence of 15% of the classes of any course, will not be allowed to sit for the final exam and will be given the university zero (F grade) in this course.

• In the case above, if a student submits an official sick report authenticated by university clinic or an accepted excuse by the Dean of his/her faculty, the student will be considered as withdrawn from the course, and a "W" will be shown in the transcript for this course.

• Students are not allowed to attend late to classes. Any student coming late will not be allowed to attend the class and he/she will be marked absent.

B- Absences from exams and not submitting assignments on time:

Failure in attending a course exam other than the final exam will result in zero mark unless the student provides an official acceptable excuse to the instructor who approves a make-up exam.
Failure in attending the final exam will result in zero mark unless the student presents an official acceptable excuse from the Dean of School of Nursing who approves an incomplete exam, normally scheduled to be conducted during the first two weeks of the successive semester.

C- Health and safety procedures:

Students should comply with the University of Jordan, Ministry of Health, and Ministry of Higher Education rules and regulation for COVID-19 precautions when allowed to attend exams at the University premises including but not limited to wearing mask, gloves, and keep 1.5-2M physical segregation from colleagues.

D- Honesty policy regarding cheating, plagiarism, misbehavior:

Cheating, plagiarism, misbehavior are attempts to gain marks dishonestly and includes; but not limited to:

- Copying from another student's work.
- Using materials not authorized by the institute.
- •Collaborating with another student during a test, without permission.

• Knowingly using, buying, selling, or stealing the contents of a test.

• Plagiarism which means presenting another person's work or ideas as one's own, without attribution.

□ Using any media (including mobiles) during the exam

□ Allowing anybody else to sit for online exams

E-Examination Instructions for Students

□ For on-campus exams:

• Follow-up the instructions of the exam on the e-learning page of your section (Date, time, assigned computer lab of the exam and other guidelines)

· Bring your University ID card with you

- Do not bring any material related to the exam
- Do not bring your mobile phone to the Exam room
- Be in the exam room at least 10 minutes before exam starting time
- It's not allowed to enter the exam room late
- In case of coming late you have to contact the course coordinator immediately
- It's not allowed to leave the Exam room before the end of at least one-third of the exam time.

 \cdot Do not leave examination room except under exceptional circumstances at the discretion of the Senior Invigilator and you should be accompanied by an invigilator, if needed.

 \Box Other instructions

 \cdot You will **not** be given extra time for the exam if you joined the exam late

 \cdot For Re-exam (Make-up exam) issue you need to submit an approved excuse for absenteeism to the instructor

refer back to the university rules http://units.ju.edu.jo/ar/LegalAffairs/Regulations.aspx

E- Grading policy: A grade of (D) is the minimum passing grade for the course.

F- Available university services that support achievement in the course: Online services (Moodle e-learning & Microsoft Teams, e-library, internet resources)
