

The University of Jordan
School of Nursing
BSc. Program in Nursing

Vision, Mission, Core Values, Goals, and Intended Learning Outcomes (ILOs)

Vision

To be a leading, global school in the areas of nursing education, research, and community service.

Mission

The School of Nursing dedicates itself to improve health and wellbeing of society through preparing professional nurses to provide quality nursing care, conduct research and provide community service. The school provides a model learning environment that encourages life-long learning, innovation, and professional and personal development.

Core Values

1. Transparency, accountability, and academic freedom
2. Arabic and Islamic values
3. Integrity, equity, and justice
4. Innovation and excellence
5. Leadership and teamwork
6. Responsiveness
7. Discipline
8. Caring

School Goals:

1. Graduate competent nurses able to provide quality nursing care.
2. Promote a scientific research culture among faculty and students.
3. Develop the body of nursing knowledge at local, regional, and international levels.
4. Disseminate nursing knowledge through national and international conferences, workshops, seminars, training programs, and exchange programs.
5. Promote professional development of faculty members and administrative staff.
6. Promote continuous learning and educational culture and environment.
7. Build collaborative relations and partnerships with local, regional, and international institutions.

Intended Learning Outcomes (ILOs)

Upon successful completion of BSc Program in Nursing, the students will be able to achieve the following ILOs:

ILO 1: Demonstrate competency in performing and providing the role of a professional nurse in **quality care provision** for individuals, families, and groups.

ILO 2: Apply principles of **effective communication** with peers, individuals, families, groups, and health care team.

ILO 3: Utilize **critical thinking** and problem solving in planning and implementing nursing care for individuals, families, and groups.

ILO 4: Apply professional **standards, values, and behaviors** in providing nursing care for individuals, families, and groups.

ILO 5: Demonstrate **safety measures** to protect self, individuals, families, and groups.

ILO 6: Translate **organizational, leadership, interprofessional collaboration, and management concepts** into nursing care for individuals, families, and groups.

ILO 7: Utilize **evidence based practice** in providing care for individuals, families, and groups.
